This corrected Amendment is being submitted in response to the Communication mailed December 16, 2003, in which the Examiner found Applicant's Reply mailed September 8, 2003 to not be fully responsive to the prior Office Action. In particular, it was discovered that the word "read" of claim 15 was inadvertently deleted without proper indication. In this Corrected Amendment, Applicant has properly indicated the deletion of the word "read". Otherwise, this Corrected Amendment is identical to the Amendment mailed September 8, 2003.

Please amend the above-identified application as follows.
